Audience Round — bonus points, whole room can score

No negative marking. Teams of 4–6.

Round 1 — General Trivia

Warm-up round. Easy to medium.

1. Which app's logo is a white paper airplane on a blue background?

Answer: *Telegram*

2. What does the term 'AI' stand for?

Answer: *Artificial Intelligence*

3. Which of these is NOT a real Instagram feature — Reels, Stories, Snaps, or Close Friends?

Answer: *Snaps — that's a Snapchat term*

4. Which Indian city is nicknamed the 'Silicon Valley of India'?

Answer: *Bengaluru*

5. Which tech giant was originally named 'BackRub' before its famous rebrand?

Answer: *Google*

6. Every slide of this quiz has one word on it somewhere — what's the name of today's orientation program?

Answer: *Deeksharambh*

7. True or False: The Great Wall of China is visible from space with the naked eye.

Answer: *False — it's a myth. Astronauts have confirmed you can't see it unaided.*

8. Which country is credited with sending the world's first emoji out into the wild, back in 1999?

Answer: *Japan*

Round 2 — Rapid Fire

Seconds on the clock. No overthinking.

1. Either/Or: Instagram or Snapchat — which app launched first?

Answer: *Instagram (2010)*

2. One word: What's the name of the tech company that started as an online bookstore and is now named after a rainforest?

Answer: *Amazon*

3. Either/Or: iOS or Android — which one is open-source?

Answer: *Android*

4. One word: Capital of Japan?

Answer: *Tokyo*

5. Identify: Which brand's logo is a bitten apple?

Answer: *Apple*

6. One word: The messaging app with a green icon and a phone-shaped logo?

Answer: *WhatsApp*

7. Short: In what year did India gain independence?

Answer: *1947*

8. Either/Or: Cricket or Kabaddi — which one originated in India?

Answer: *Kabaddi*

Round 3 — Buzzer Round

Read clues one at a time. First hand on the buzzer gets the shot.

1. Marvel character

- Bitten in a lab accident, not born with his powers
- Balances being a student with a secret double life
- Known for his witty one-liners while fighting
- Wears a red and blue suit and swings on webs between buildings

Answer: *Spider-Man*

2. Brand

- Named after a Greek goddess of victory
- Its logo is a simple curved 'swoosh'
- Its most famous slogan is 'Just Do It'
- Makes Air Jordans and other popular sneakers

Answer: *Nike*

3. Movie

- Set on a distant, lush alien moon
- Features a blue-skinned native species
- Directed by James Cameron
- Became the highest-grossing film of all time

Answer: *Avatar*

4. Company / person

- Once known for a strict 140-character limit
- Its bird logo is now gone
- Rebranded to a single letter in 2023
- Owned by the world's richest man

Answer: *Twitter (now X)*

5. Event

- Held once every four years
- Uses a torch relay to open the games
- Athletes compete for gold, silver, and bronze
- Paris hosted the most recent edition

Answer: *The Olympics*

6. Person

- Co-founded a tech company in a garage
- Known for wearing a black turtleneck
- Was fired from his own company, then returned years later
- Introduced the world to the iPhone

Answer: *Steve Jobs*

Round 4 — Connect the Dots

Four clues, one connection. Read all four before taking answers.

1. Java → Python → Ruby → Swift → ?

Answer: *They're all programming languages*

2. Titanic → Avatar → Avengers: Endgame → Star Wars: The Force Awakens → ?

Answer: *All have ranked among the highest-grossing films of all time*

3. Bengaluru → Hyderabad → Pune → Gurugram → ?

Answer: *All major IT / tech hub cities in India*

4. Elon Musk → Jeff Bezos → Richard Branson → ?

Answer: *Billionaires who each built their own private space company*

Round 5 — Audience Round

For the whole room. Everyone plays, everyone can score.

1. Raise your hand if you've ever nodded along to a meme you didn't actually understand.

Answer: *No wrong answers — full marks for honesty*

2. Closest guess wins: roughly how many students got admitted to KRMU this year?

Answer: *(Presenter reveals today's actual admitted-batch number)*

3. Guess it: how many hours a day do you think the average college student spends on their phone?

Answer: *Commonly cited estimate: roughly 6–8 hours a day*

4. Pick a side: Instagram Reels or YouTube Shorts — raise your hand for whichever you use more.

Answer: *No correct answer — just bragging rights*

5. Estimate it: how many cups of chai do you think the KRMU canteen sells in a single day?

Answer: *(Presenter reveals the real, or funniest guessed, number)*

6. Turn to the person next to you. In 15 seconds, find one thing you both have in common. GO!

Answer: *If you're still talking when the timer stops — you just made a friend*
